

“ That which is good to be done cannot be done too soon; and if it is neglected to be done early; it will frequently happen that it will not be done at all. ”

—Bishop Mant

For Those You Love

You can have peace-of-mind by making your own arrangements now rather than leaving your loved ones to arrange things alone.

Others will be relieved knowing you have expressed your wishes. Nothing can take away the pain, but planning ahead will ease the burden.

Vital Information

Your Funeral Planning Professional will help you record everything your Executor, or your next-of-kin, will need to know to carry out your wishes.

Recording vital information such as the location of insurance, annuity policies and will; names, addresses and phone numbers of the important people in your life; and funeral information is of the utmost importance.

Payment Options

When death occurs, many families are unprepared for the full cost of a funeral.

By planning now, you can choose from a variety of payment options, including simple monthly payments or fully-funded plans. Your Funeral Planning Professional is the best person to help you select a plan that suits your budget.

Financial Responsibility

Eliminate the concerns of paying the uncertain costs of a funeral. Funding your arrangements now will protect your family from rising costs.

Our funding options will guarantee against future inflation. Get the benefits of today's lower prices.

Overcoming Grief

A funeral service provides a special place for family and friends to pay tribute to someone they love. It provides for the final care of our loved ones. Facing the reality of death is an important step in making a remarkable difference in adjusting to loss.

Planning at Home

Our Funeral Planning Professional will be happy to meet with you in your home. There, you can review the options and even make all the arrangements.
